## Disclaimer – Trusted Surgery Collective

Trusted Surgery Collective provides general information, personal insights, and guidance relating to cosmetic surgery and international patient experiences.

All content on this website is intended for informational purposes only and should not be considered medical advice, diagnosis, or treatment recommendations.

Trusted Surgery Collective does not perform medical procedures, does not provide clinical services, and does not replace consultation with a qualified medical professional.

Any decisions regarding cosmetic surgery should be made directly between the patient and their chosen surgeon or medical provider following a full medical assessment.

While we aim to share accurate and up-to-date information based on personal research and experience, we do not guarantee the completeness, accuracy, or outcomes of any procedures discussed.

Trusted Surgery Collective may introduce or connect individuals with third-party medical providers, including JW Korea Hospital; however, we do not control or take responsibility for:

- medical decisions
- surgical outcomes
- treatment plans
- complications or results

All medical care is provided solely by the licensed hospital and its medical professionals.

By using this website, you acknowledge that:

- you are responsible for your own medical decisions
- you will seek independent medical advice before proceeding
- you understand that all surgical procedures carry risks

Trusted Surgery Collective is committed to transparency, patient education, and promoting safe decision-making, but does not guarantee specific results or experiences.
